# AID MEGA DISTRIBUTION PROJECT VI

A Tu Salud - "To Your Health" offers medical supplies and equipment as well as health fairs and referrals

De Mano a Mano - "From Hand to Hand" provides assistance with essential items during various emergencies directly to those in need, without intermediaries. From our hands to theirs.

Alacena - Foodbank that offers food to abandoned and hard-to-reach sectors

Con Tus Manos - "With Your Hands" provides building material to rebuild homes affected by natural disasters as hurricanes and earthquakes

Our programs\* A tu Salud, De Mano a Mano, Con Tus Manos and Alacena joined forces to carry out a mega distribution of articles around the entire Island. During the past year, we have impacted more than 575,000 people and we are now ready for the seventh round.

Thanks to our continuous, dedicated, and transparent work, we have been approved to distribute the following items during the next 3 months with the support of the 122 affiliated organizations that joined PRROA\*\*.

- 12 per week-40' container filled with food boxes approximate 200,000 boxes during the length of this project. Each food box provides food for 3 days for a family of 4.
- 10,000 medical / surgery gowns
- 8,000 facial masks
- 10,000 hand sanitizers
- 100,000 gallons of milk
- Wheelchairs and medical equipment
- Building material to 100 families

# HOW WE DO IT

## PROJECT DESCRIPTION

- The organizations allied to Puerto Rico Rises (PRROA) are divided into regions.
- Each region has a Regional Coordinator and several Municipal Coordinators that work together on each project to guarantee success, impact reach and minimize duplicity.
- They coordinate through electronic registration the requests of the various organizations by area and require a Mission Report at the conclusion of each of the missions.
- To belong to PRROA, each organization must register, present documentation, sign an MOU, and comply with the required reports and records according to our policy of transparency.

## PROJECT METRICS

- Each organization must submit a Mission Report no later than 7 days after each mission.
- Each Regional Coordinator must submit a Regional Report after each project conclusion.
- These reports request among others:
  - The region, Municipality and Sector impacted
  - Family Unit
  - Demographic Information
  - Supplies distributed
  - Volunteers participation
  - Photos and Videos

## TIMELINE OF THE PROJECT

- March 20th - PRROA Supplies / Mission Request Open
- April 1st- Start Distribution
- June 30th - End Distribution
- July 15th - Regional Reports Due
