WEAVING URABÁ, A SEA OF OPPORTUNITIES

Siete Vueltas village

The *Weaving Urabá, a sea of opportunities* project, allows the Fundación Apostolado la Aguja to establish strategic alliances to improve the living conditions of the most vulnerable families in Urabá, Colombia.

Thanks to the sum of **wills and donors**, in 2021 it was possible to change the reality of 12 families.

This year **we will deliver 12 new homes** so that families can grow, share and live in decent conditions.

Prototype house

- ✓ Construction of **12** healthy, safe and sustainable homes.
- ✓ Improvement of **family and community** coexistence.
- ✓ **Sustainable tools** for managing family and community finances.
- ✓ Training in arts and crafts that **generate entrepreneurial ideas**.
- ✓ Installed capacity through **leadership training**.
- ✓ Psychological and family **support**.
- ✓ **Importance of education** for children and youth.
- ✓ Raise awareness in the community for the care of the environment.
