

ENABLING 360 CHILDREN WITH DISABILITIES IN ARMENIA

Progress Report

April – July 2026

Thanks to your incredible support, 360 children with disabilities across Tavush Marz continued to grow, learn, connect and dream this spring and summer.

You are changing lives. 
Thank you!

WHAT YOUR SUPPORT MADE POSSIBLE

**CONTINUED
THERAPY
SERVICES**

Physical, occupational, speech, art therapy and psychological support continued consistently for 360 children.

**SUMMER
INCLUSION
ACTIVITIES**

Outdoor games, creative workshops and group activities helped children make friends, build confidence and enjoy a joyful summer.

**NEW SKILLS,
MORE
INDEPENDENCE**

Children strengthened their communication, mobility, self-care and daily living skills, achieving meaningful personal milestones.

**FAMILIES
EMPOWERED**

Parents participated in consultations and support groups, feeling more confident and better equipped to support their children at home.

**READY FOR
SCHOOL &
THE FUTURE**

Children returned to school prepared, motivated and more included in learning and community life.

Your kindness keeps their journey moving forward.
Every child. Every step. Every day.

A STORY OF GROWTH

Arsen's Journey

When Arsen* first came to our center, he was very shy and avoided speaking. He found it hard to join group activities.

Through speech therapy, art sessions and summer group games, Arsen began to open up.

Today, he speaks more clearly, shares ideas, laughs with his friends and participates with joy.

“He believes in himself now, and so do we.”

— Arsen's mother
