

Enable 360 children with disabilities in Armenia.

Progress Report

03 November, 2020

In one day, the lives of all Armenians in Armenia, Artsakh and the Diaspora was changed.

As a nation, we are fighting not only against Azerbaijani aggressors but also against the Turkish-sponsored jihadists, who were brought to Artsakh from Syria, Pakistan and Afghanistan.

We fight against the Turkish-Azerbaijani aggressors and every Armenian has his/her great contribution in this fair fight and support to our Armenian soldiers at the borders defending our kids and our families.

“BRIDGE OF HOPE” NGO CENTERS IN TAVUSH ALSO MAKE PART OF ALL-ARMENIAN MOBILIZATION FOR PEACE IN OUR MOTHERLAND.

OUR DAILY WORK LOOKS LIKE THIS - ONE KNOTS, THE OTHER SEWS, COLLECTS PAPER OR FOOD TO HELP THE SOLDIER STANDING AT THE BORDER.

CHILDREN, ADULTS AND ELDERLY PEOPLE KNIT CAMOUFLAGE NETS FOR OUR SOLDIERS FIGHTING AT THE BORDER. THEY DO THIS JOB BY SINGING PATRIOTIC SONGS AND BY PRAYING THE GOD FOR PEACE. THEY WEAVE THE POSITIVE ENERGY OF THEIR SOULS AND HEARTS INTO THE CAMOUFLAGE NETS.

ELDERLY PEOPLE DID NOT REFRAIN FROM THIS WORK EITHER, ESPECIALLY THOSE THAT HAS GRANDCHILDREN AT THE BORDER.

THEY WORE SOCKS AND JACKETS, SEW MATTRESSES FOR OUR SOLDIERS.

NO ONE LEFT BEHIND!
EVERY CHILD MATTERS!
