

ART OF LIVING FREE SCHOOLS

Gift a Smile – Gift a Future

International Association
for Human Values

About the Service project

A movement to transform the nation through free of cost, holistic education in rural, tribal and urban slums

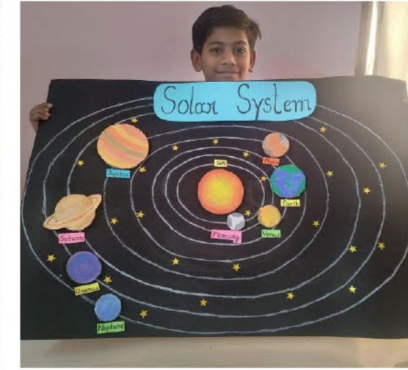

1262 Schools
22 States in India
100,000+ Students
50,000+ Alumni
2000+ Teaching & Non-Teaching Staff
162 Strong School Committee Members

ON THE GROUND UPDATES FROM LAST QUARTER

Routine health check-ups were conducted for our school in Kosmi, Madhya Pradesh.

National Science Day is celebrated annually on February 28th in India to commemorate the discovery of the Raman Effect by Sir C.V. Raman. Our schools celebrated this day by conducting science exhibitions and children made beautiful models on various science topics.

National Youth Day was celebrated by our schools honouring the birthday of Swami Vivekananda, one of India's greatest spiritual and social leaders. The students performed arti and garlanded the picture of Swamiji, did Surya-namaskar, performed a skit on importance of meditation. The teachers informed the students that this day is dedicated to inspiring young minds, promoting education and encouraging community service.

Our school in Shalgram, West Bengal held Bal Chetna Shibir for its students. This is a dynamic program that helps children get them back to their childhood while equipping them with the right tools to handle their responsibilities and stress in life. With the help of pranayama and meditation the course helped the students get rid of their negative emotions. Every child opened up to the individual and group processes, the teachers leading those sessions witnessed their participation ecstatically.

SUCCESS STORIES

SUCCESS STORIES - RIDALIN LYNGDOH LYNGKHO

Born in Meghalaya, Ridalin's mother passed away when she was two months old and father when she was six. She grew up in an environment where selling children for labour and prostitution was a common practice.

Ridalin has graduated as an Architect from Sri Sri University and is now joined an architectural firm in Hyderabad

SUCCESS STORIES - BASTAR, CHHATTISGARH

This school in a naxal area served as a catalyst to reduce and ultimately eliminate violence in the area

A MUSICAL FUNDRAISER IN READING, UK 12TH MAY 2024

**A HARMONIOUS NIGHT OF
MUSIC AND GENEROSITY!**

A musical fundraiser brought the community together to champion the cause of free schools, ensuring all children have the opportunity for quality education. The night began with heartwarming performances by a group of talented young singers, truly setting the stage for philanthropy. Inspired by their passion, even the local caterer joined the cause, contributing a portion of their proceeds. It was a night where music united the community to support the vital work of free schools. Ticket sales generated £954 in addition to pledges worth £5900 from generous donors.
