HEALTH CHECK UP

The Rashtriya Bala Swasthya Karyakram team recently visited our Karnataka school to conduct a comprehensive health check-up for students from Class 1 to Class 7. During their visit, the team performed routine health assessments to ensure the well-being of each student. In addition to these check-ups, they provided valuable basic health education, helping students understand essential hygiene practices and the importance of maintaining good health. This initiative not only addressed immediate health concerns but also aimed to instill lifelong habits for healthy living among young students.

MATS MADE OUT OF WASTE CLOTH

Students at our Kerala school took an innovative approach to recycling by creating door mats from waste cloth. This project not only provided a practical solution for reusing old fabric but also demonstrated the students' commitment to environmental sustainability. By transforming discarded cloth into functional and decorative mats, they effectively reduced waste and promoted the idea of upcycling.

SUCCESS STORIES

SUCCESS STORIES - RAJKUMAR

An alumni from the naxal affected village of Chandauli, UP, Rajkumar very early on expressed his desire to become a lawyer.

I want to become a lawyer so that I can earn good money.

Rajkumar has completed his LLB degree and is now pursuing Masters in Law

Anushika Kamble, a third-grader at Shri Shri Gnyan Mandir, Dahigaon Taluka, Zilla Sholapur, has undergone a remarkable transformation since joining the school. Initially hesitant and fearful, Anushika has become enthusiastic, confident, and academically successful. Her parents, who were initially reluctant about her education, have now embraced it and witnessed positive changes in their family. Anushika's involvement in the school's activities and her dedication to Satsang have inspired her family and neighbours. The school's approach to education, emphasizing holistic development and spiritual values, has been instrumental in Anushika's growth.
