ON THE GROUND UPDATES FROM LAST QUARTER

HEALTH CHECK UPS

A comprehensive health check-up for students to promote their well-being and encourage a healthy lifestyle. At Sec-48 School in Delhi, doctors from Yatharth Hospital provided health and eye check-ups for both students and their parents. In addition, our school in Mangalpur, Odisha also held a general health check-up for the students and their families. Deworming, tetanus, and diphtheria injections were administered to the students of our schools in Tripura and Kerala.

ACHIEVEMENT - FOOTBALL TOURNAMENT

Five students from our School represented the Karnataka football team and participated in the National-level football tournament in Jammu and Kashmir. The outstanding performances of these teams not only reflect their hard work but also inspire future generations to pursue excellence in football

ARTS FESTIVAL AND SCIENCE EXHIBITION

During the Arts Festival, students from our Kerala school won prizes in various competitions, including the Science Exhibition.

Celebrations

At Art of Living Free School, children learn through celebrations in many ways. They develop self-esteem, social skills and deeper understanding of beliefs and values of others and the similarities between cultures.
