

Gift a Smile Global Giving Report (3rd Quarter, 2021)

Schools in many of the states have opened up strictly adhering to the safety guidelines of Covid-19 by sanitizing the premises, checking the temperature of the students before allowing them to attend classes, keeping a distance in sitting arrangements and having students and teachers to continue wearing masks.

Uniforms were distributed to the students too.

Some of these students in Karnataka school have performed extremely well in their board exams amidst the pandemic.
