Brief history:

Protibandhi Shishu Shiekkha O Paricharja Samity (Proships) is a Non government voluntary organization. **Proships** was established in 1999 with the initiate of group of young, educated, dedicated professional and social workers. I am Mr.Rafiqul Islam (Presently work as Director) had been works in organization of HICARE since 1987 as a teacher of the Deaf Children for speech and language development and Mrs.Begum Rokeya Sarder associated herself with the same profession. When we went to our village on any excursion, occasion of any festival, Parents of many disable children desired meeting with us to have consultancy for their rehabilitation measure. We are accordingly provided them with support /cooperation but it was very small scaled due to our limitation. In this way as we are empathetically carry out them and we came to striving conscience to insure rights and opportunities of those disable children. Begum Rokeya Sarder motivation their family member about situation of the Children With Disabilities(CWDs) and form of organization and to take steps to run works in this respect.

Year of Establishment: 16th December 1998

Legal status of the Organization.

SL no	Registration Authority	Registration No.	Registration Date
01	Directorate of social services, Govt. of Bangladesh	No- JA 00452	Date 09.06.1999

GOAL OF ORGANIZATION:

PROSHIPS Goal is to improve the ultimate socio-economic and cultural condition of the community through the development of the most disadvantaged, vulnerable people, women, children and the people with disabilities to ensure their equal rights and opportunities for participation in the mainstream development.

Vision of the Organization:

PROSHIPS has been working with the vision to promote development programs in the community to improve the overall socio-economic and cultural condition of the disable , most disadvantaged children , adolescent, of the community. Special emphasis is given on preventing disability, ensuring maternal child health, adolescent family life education and reproductive health education, awareness on Sexual Abuse , and HIV/ AIDS and its prevention , restoration of child/ human rights and human resource development. PROSHIPS have been trying to implement action programs with the active involvement and participation of the community people. PROSHIPS aspire for a suppression free society with prosperity, peace and equity where all people could get proper opportunity and equal rights to develop.

Objectives Of the Organization :

- Implement programs to promote health, education and socio-economic development of the most disadvantaged, vulnerable groups and the disabled people;
- Undertake programs for prevention of disability in the community;
- Promote training and educational programs for prevention of disability and rehabilitation of the disabled people in the community
- Provide educational support and stipend to the talented disabled children and students;
- Conduct baseline survey for identification of the disabled persons and to find out the prevalence rate as well as common causes of disability in the community;
- Advocacy and lobbying with the policy makers, local authority and the elite groups to restore the rights of the disabled children and persons;
- Prepare and collect IEC materials on the basic facts of disability, disability prevention & intervention and disseminate the information among relevant groups;
- Exchange and sharing of experiences of intervention with the other NGOs and parties involved in disability activities;
- Create benevolent fund for the welfare of the disabled children and persons;
- Promote IGAs for economic self-reliance of the disabled persons or the families of the disabled persons in the community;
- Establish effective coordination mechanism between the national and international donor/support agencies and the agencies involved in disability movement;
- Promote programs for integrating the disabled CWDS and PWDs in to mainstream development of the community;
- Provide emergency relief materials to disable, destitute and disadvantaged children and their families of any catastrophe.
- Publication of news letters to disseminate information on the day to day matters of the disable, destitute and disadvantaged children/people and issues related to their development.

- Operate the activities with Marginal community in order for taking the marginal and disable community in to mainstream development activities of the society.
- Arrange Program with all children of the society to retain the honor and dignity of the Children with Disabilities (CWDs).
- Take action to prevent the loss due to Climate Change and others natural calamities and operation relief Program combat then on urgent need Basis.

Primary and Secondary Stakeholder:

01.Children with disabilities, different disadvantaged and affected children groups will be primary target beneficiaries.

02.Primary and Secondary School Students, Family members, community leaders, school teachers, religious leader, representative of the local authorities and other people will be the secondary beneficiaries.

ORGANIZATIONAL MANAGEMENT OF PROSHIPS

PROSHIPS has got a three tier organizational structure. Those are ---

- The General Body
- The Executive Committee

- The Advisory Committee

PROSHIPS comprise a 40 member's General body and 9 members Executive Committee (EC). The Executive Committee is elected for a two-year term by the general body in every alternative annual general meeting. The executive committee is solely responsible for all the activities of the organization.

The Executive Committee selects an Advisory Committee comprising members, including the persons with varied expertise and knowledge in the relevant field, dedicated community organizers, local elites, members of the local authority and most popular and acceptable personalities of the community. Members of this Advisory Committee would contribute to PROSHIPS for its proper implementation of programs and survival.

The General Secretary is carrying out the responsibilities of program implementation, all administrative and support services of the PROSHIPS secretariat. The General Secretary of the organization is working as the ex-officio Member Secretary and the Executive Director of PROSHIPS Secretariat.

The Executive Director is responsible for day-to-day activities of the organization. The staff members provide their every support to the Executive Director and perform their activities with full responsibility. A well-motivated and well-coordinated team of staff is making their endeavors to contribute to the mainstream development of the community. Performances of all the staff members are evaluated systematically and periodically.

PROCUREMENT MANAGEMENT:

The procurement of goods or services will require complete recording and the expenses must be substantiated by proper documentation. Note that expenditure may not be accepted to the management or donor for procurement if those are not budgeted, allowable and reasonable. A procurement procedure must be followed. In case of extreme emergency which prevents to follow the procedure , prior permission must be sorted from the management . Administrative negligence or delays caused by poor management cannot be invoked to skip the normal procedure. The procedures to be followed for procurement of supplies are listed below.

Approval Committee: A list of approval authorities for procurement along with their approval limit should be kept prior to procurement. The Executive Director /Executive Committee of the organization must approve this list.

Procurement committee: The organization should form a procurement committee consisting of at least 2/3 members. The Executive Director and the accountant should not be included in this procurement committee. The Procurement committee will send their recommendations to ED or his/her designated person will finally approved but Ed will remain accountable for all procurement.

Reporting System

Proships Follow a regular and systematic reporting process using different monitoring and format Accounts coordinator collect data and prepared quarterly, half yearly and annual report of the organization. Chief executive /Director verify all information of the reports and presents in the EC meetings and General meetings regularly. . Every donor give their prescribe financial format for monthly, quarterly and yearly report. Proships follow all of those format for financial reporting. Proships also prepared trail balance, R&P, income expenditure report and balance sheet every year for face internal, External and Donor Audit. Proships have no extra computerized Accounting system but they prepared all of report in computer donor prescribe format.

Audit System:

Proships recruitment of Audit system was very transparent. The project accounts of the organization shall be audited at the end of project or yearly or as to be suggested by concerned donor/funding organization. The consolidated account of the organization as a whole would be audited at the close of each financial year or above mention period . The auditor shall be appointed by the Chief Executive with the approval of the Annual General committee(AGM). For ensuring better financial control the Chief Executive may arrange internal audit for any of the projects or the organization at interval. The Auditors will submit their report addressing the Executive committee.
