To: **The Headstart Trust**

Dear Bruce,

The Rotary Club of Stanford would like to thank you, as Chairman of The Headstart Trust – and all your donors – most sincerely for your extremely kind and generous donations of not only the juiciest apples, but also the freshest bread, vegetables and dry ingredients for soups and stews.

Apart from the kitchens being operated by the Municipality, the five regular Rotary kitchens are now also back in operation, filling in on Tuesdays and Thursdays. Even though a fair number of people have been able to return to work, the number of people in dire need is still much higher than usual – 1,000 to 1,200 per day.

Stanford Rotary values and appreciates your support. Without the wonderful and caring organisations such as the Headstart Trust we would not be able to achieve our goals, in this instance feeding those in need in extremely difficult times.

Kind regards
