

CF “KYIV TAILS”

---

# Our mission

---

Help cats and dogs in need through treatment, spay/neuter, sheltering, socialization, adoption, changing society's mind about homeless animals.

# Who we are

---

- Nonprofit Charitable Organization “Charity Fund “Kyiv Tails”
- Started helping animals in need – 2018
- Officially registered – 12/2019
- 44 cats and a3 dogs under the fund’s care currently
- More then 50 adopted animals during 2019 year
- We firmly believe that no healthy or treatable pet should be euthanized

# What we Do

---

- ❖ Find the loving families for stray cats and dogs
- ❖ Make sure the tails under our care are spayed/neutered, vaccinated and have undergone treatment if needed.
- ❖ For the period of the search of new homes the temporary foster homes are involved and funded by Fund. Based on our experience, with help of temporary homes the suffered animals are given enough time, attention, love and care to facilitate socialization and finding the loving permanent family.
- ❖ Help with spaying/neutering.
