

APPEAL OF COVID – 19

FROM: *ASSOCIATION FOR RURAL AND TRIBAL IMPROVEMENT.*
PADAGAM VILLAGE ,TIRUVINNAMALAI. TAMIL NADU- INDIA.

SUMMARY:

Novel corona -19 pandemic create an unusual circumstance in the world 'history.' The **WHO** has declared the corona virus epidemic as a **GLOBAL HEALTH EMERGENCY**. INDIA declared lockdowns and still continues to fight against covid -19.

TIRUVINNAMALAI district in affected very high (**RED ZONE**) and increase the new infection cases still now. ARTI- take to strive against novel corona in **25 villages** and request our donors to your donation to this fund will help stop spread and protect us all with special emphasis on woman children and old age peoples.

We are also delivering grocery bags with food and products to the over 60 families as emergency need. ARTI is responding by making emergency relief packs for distribution to the most vulnerable children and poor families. Our estimate is there are 30,000 people in immediate need of urgent help.

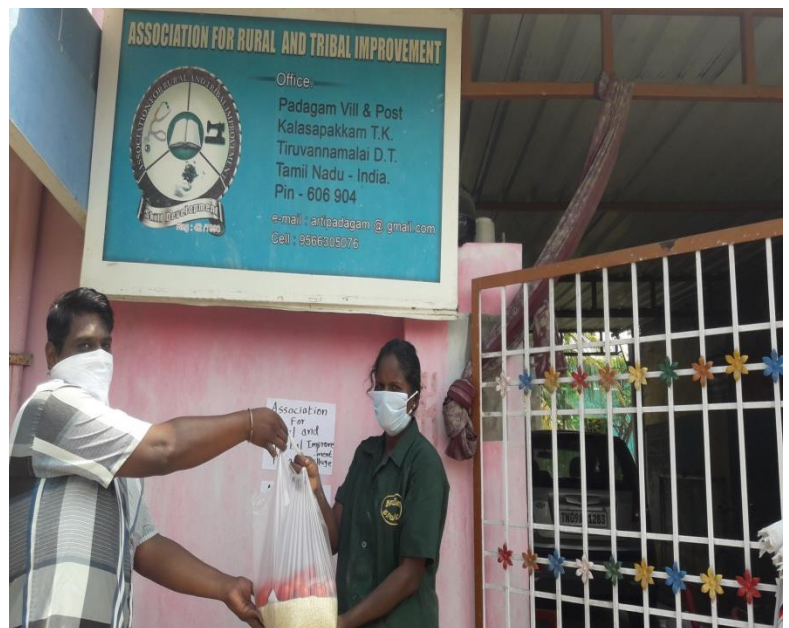

CHALLENGE:

- TIRUVINNAMALAI district is backward of education and health. Large of people are illiteracies and formers.
- Number of Infection cases increase through Chennai koyambedu vegetable market in the district. So we will give awareness of the prevention method to the children, youths, women downtrodden peoples and all around the 25 villages. (near than 30 thousand peoples)
- It is very difficult to ensure that the prevention things are hold all people. Because many families are daily wages, house less people, and many are there below in the poverty line.

SOLUTION:

- ARTI- provided awareness, masks, and hand wash Sanitizer. We give awareness, how to protect?
- ARTI- observes social media to know affected peoples and rush to help on their need.
- ARTI provide essential items to struggling families, homelessness, refugees and migrants, wage workers, and older individuals in quarantined cities and refugee camps. To save hunger death also.
