# HOW WE DO, WHAT WE DO

## THE STRUCTURE WE OPERATE

We run a simple, tight and effective group base organizational structure headed by executive council (EC), advisory council (AC), departments and teams where the majority of the organization decision is taken by the EC which the EC is headed by Co-Founder/ CES with the consultation of the AC, this help to strengthen, check and balances in the system and also encourage collectiveness, Inclusiveness and solidarity spirit within members of staff with an open floor for every persons to strive higher. In our organization we are gender sensitive that is 70 percent of members of staff are women as well as they are included in the key decision making.

## OUR KEY FOCUS AREAS

- Human Rights
- Education
- Development
- Peace
- Empowerment
- Good Governance

# SUMMARY OF WHAT WE HAVE DONE THUS FAR

In the last three quarter, we were able to reach **thousands** of individuals, directly sensitized and engaged over **1,839** persons and we have distributed more than **5,429** self-educative Human Rights Materials to pupils in a dozen secondary schools, youth groups (i.e NYSC) and rural communities within Abuja, with material support from **Youth for human rights Int'l**, **United for Human rights**, **Citizens commission on Human Rights** through **Abuja Chapter** including **National Human Rights Commission of Nigeria** among other organizations.

## OUR SCHOOLS ACTIVITIES

In implementing our ongoing marathon project, Human Rights for Peaceful Existence we have gone various private and Government secondary schools in FCT, Abuja-Nigeria to sensitize and engage the student on human rights and peace on how they can become an advocate for peace, tolerance and active citizens in their respective environs. We have sensitized and engage more than 1,116 pupils across schools, some photo images as display.

**One of the team member Miss Precious Umeanaeto expatiating more on child rights/peace and how they can be advocates and always do what is rights even when nobody sees them in their immediate environment and important it is for them to take their study serious for it's their rights , they should not denied themselves of it. These engagement when on in several schools as we had this one with the Government Junior Secondary School, Area 10, Garki, Abuja-Nigeria.**

## OUR YOUTH ACTIVITIES

We have sensitized and engaged the youth on human rights, peace and drug abuse we have been able to talk to over 256 youths in their various groups and zones, one of that beneficiary among others is national youth service corps members (NYSC), the programs is still ongoing in other zones and groups in Federal Capital Territory (FCT), Abuja-Nigeria.

## OUR COMMUNITY ACTIVITIES

Over the time we see how people in the rural community has been denied their rights and begging and crying for peace, security and better life in some part of the country, we carried out an engagement and sensitization in some communities in Abuja-Nigeria where we engaged nothing less than 467 rural community dwellers including the community heads (Chief's) in their respective villages across FCT, Abuja, some of this communities are community that lack most social amenities such as safe and clean water to drink, schools, medical care, power (light) respectively, their talented youth are wasting their potential in the farms and others involving in negative vices to harm themselves and other humans in the community and beyond. There need for Government and well-meaning organizations and capable individual to reach out them.
