ABOUT GREAT HEART

Established in 2010, Great Heart Charity Association (GHCA) is a tax-exempted, non-profit charitable organisation in Malaysia. We aim to assist our beneficiaries in two key aspects - in the form of financial aid as well as emotional support. Through charity work, we not only provide help to others in need, but also develop ourselves in the process. We strive to build a harmonious and caring society with positive energy and spread the seeds of love so that people will be inspired to do charitable deeds in their daily lives.

Our Vision
To cultivate a caring society by making charitable giving a part of everyone's life.

Our Mission
To create a charity platform to link up contributors, beneficiaries, and volunteers.

MESSAGE FROM THE PRESIDENT

True Kindness

Purpose and Persistence
Choosing to walk this journey is a decision that comes from the heart. From that moment on, it becomes a mission of a lifetime. I work tirelessly, not slacking off, because heaven knows I might be worse off without it. I use all my enthusiasm, wisdom, courage, and persistence to resolve all the twists and turns that I will be facing, and I am convinced that this is the only way to correctly accomplish my purpose and fulfill my promise of being honest in life.

Contribution and Sacrifice
I would like to share an interesting quote: "Life requires inspiration and hope; while the soul requires nourishment and warmth. Happiness does not come from materialism; for true pleasure and satisfaction comes from contribution and sacrifice." Through this quote, we see that everything life has to give, such as joy and sorrow, happiness and pain, will depend on the person's attitude, while what is gained in return will only be revealed in a different form, time, or space.

Gratitude and Benefit
Throughout my days of doing charity work, my joy cannot be hidden as it saturates everything. The feeling of gratitude always hangs in my heart. All encounters become simple, calm, and complete. When we are in this state of mind, everything comes naturally as we please, and it becomes very real and beautiful.

After going through many ups and downs, I have finally discovered that charity is the goal of my life. Every time I put my energy towards it, I always benefit from it, learning never-ending wisdom and gaining the courage to move forward.

Humility and Heart-warming
Whenever I am immersed in observing those who live a simple life, I always feel inexplicably moved, appreciating how blessed I am to have the opportunity to use my life to care for others.

Over the years, I have never set limits on myself, purely relying on my heart, working with my team without hesitation, practicing what I have learnt thus far about charity. How I hope for you to see what I see; to be able to find heart-warming moments during your moments of contribution, and then learn to live a humble life.

Loss and Gain
Do we ever stop to reflect on all the good things that we have? If we do, we might realise that we rarely take note of their existence, to the point of letting them be forgotten behind a layer of dust. We are unforgivable when it comes to the act of wastage. How many times do we procrastinate in life, wasting our time and effort, just to end up making so many mistakes? Let's get started while our charity journey is still young!

For example, some people might be living somewhere without purpose and want to move out, but soon realise that they had to go back because they have left behind too much.

Everyone is born with a heart filled with kindness and the ability to love. If we can rediscover our initial self and these wonderful traits, then we will not continue to miss these wonderful moments in life.

Prayers

"May I act with pure motives,
May I stay away from using selfish methods,
May I bring joy and happiness to others,
May I free others from pain and sorrow,
May I have a broad and tolerant heart to accommodate the world."

This article, "True Kindness," serves as an inspiration to Great Heart and anyone who is on their philanthropic journey. I hoped that this will guide you and open your heart towards a beautiful life filled with kindness.

主席的話    《至臻至善》

使命與堅持

當自己選擇走這一趟旅程時，覺醒由心而出，從那刻開始也就注定了這一生的使命，從此不倦，為夢嘶息，因為有潔自有天知。我將以一切熱誠、智慧、勇氣和決心來化解即將面對的挑戰與困難，深信這是唯一正確地完成使命的方法及履行對真理的承諾。

奉獻與犧牲

在此分享一段話語：「生命，需要鼓舞與希望，才會有溫暖與滋潤；幸福非來自物質的光輝，它是一種用奉獻犧牲為代價所獲取的信仰和滿足感」，以這段話語來理解，我們將明白一切生命所操持的價值，正如微笑與悲傷，幸福與痛苦，都將取决于人們所抱持奉獻的態度，而所謂公平的回報也將彰顯出不同的形式及時間空間。

感恩與獲益

踏入善行的這些日子，藏不住的喜悅總是不斷地環繞在身邊及一切事物，夢想感恩的心，時時挂在心頭。所有的障礙也變得簡單，從容及圓滿。在我們身處這種心境狀態時，往往一切都順其自然，隨心所欲變得很實在，變好。

曾經因緣際會的歲月，到最終才發現善行正是自己所向往的人生目標，每一次的全心投入，總能從中獲益匪淺，學習永無止境的智慧和勇氣前行的力量。

謙卑與珍惜

當觀察自己年長的境況，數著那些天真無邪，在天邊飛過著純粹生活的人們，心裏總會泛起莫名的感動，敬佩大自然的恩賜也感謝上天的眷顧，讓我有機會去領受生命。這些年來，我也從沒有給自己設限，純粹的依心而行，帶著無怨無悔的態度，一步步地去實現自已對善的見解與信念。我深深地希望你和我一樣，從無私奉獻中尋得片刻的感動，然後學會帶着謙卑的態度活下去。

祈願

願我行以純正的動機，
願我遠離自私的方法，
願我能帶他人喜悅與幸福，
願我能解脫他人痛苦與悲傷，
願我有慈愛與包容的心，容下全世界。

——

這一篇《至臻至善》文，表明了「善心人」自己在善事事業上所追求的精神，真實不虛。藉此希望開啓善信心向善的完善生命。

Orang Asli Empowerment Project at Muadzam Shah 原住民資助計劃

GHCA's team went for a follow-up visit to four Orang Asli villages in Muadzam Shah, Pahang as part of the Orang Asli Empowerment Project that aims to shine a light on the villager's living condition and needs. With Magnum 4D Berhad as our partners, the project saw the construction of 3 wells at Kampung Effendi, Kampung Atan, and Kampung Rima for villagers to get 20 gallons of clean water supply for their daily usage. During the visit, the team also brought along various teaching and educational materials for the learning centre in Kampung Simpai to provide a better learning environment for the children there. While volunteers were engaged with installing electrical appliances in the study room, the children waited excitedly to find out what the new additions to their learning centre could do.

The teachers at the learning centre were also glad to have the new add-ons, and hope that it would encourage both children and adults to attend classes.

City Expedition for Orang Asli Children

GHCA organised a 2D1N trip for 35 Orang Asli children and their guardians from Pahang to the city of Kuala Lumpur. They were brought to visit places such as the Great Heart Community Center (GHCC), Petrosains – The Discovery Centre, and the National Planetarium. Accompanied by 20 volunteers, the children were excited to learn about science through various interactive exhibits and watched a 3D space video in the Planetarium. It was a meaningful event as the children got to explore their nation’s capital city for the very first time, while volunteers had a great time engaging themselves in learning about the life of the Orang Asli children back in their village.
Well and Groceries for Orang Asli Villagers

A team of 10 Great Heart volunteers were sent on a 10-hour journey to Kampung Berlebas, Kuala Rompin, to extend aid to the Orang Asli villagers there. Sponsored by Sampson Chew & Empire Sushi Malaysia, 6 water wells equipped with water pumps and tanks that could supply up to 20 gallons of water each were built to benefit 70 villagers. This will allow them better access to water supply, which previously was only 2 gallons of water per day from their hand-dug well. Groceries were also distributed to the villagers on that day. Since the villagers have no access to electricity, our team also helped to equip the villagers with solar lamps which will be a great help for the children to study at night!

10名耕心志願者花了10小時的旅程, 前往Kampung Berlebas, Kuala Rompin向那裏的原住民提供援助。這趟由馬來西亞Sampson Chew和Empire Sushi Malaysia贊助的旅程, 為村民建造了6座裝有水泵和水箱的水井, 每口水井最多可供應20加侖水, 使70位村民受益。 這讓村民更順暢獲得水供, 相比之前的他們手工挖井中每天只能提供2加侖的水。由于該村莊沒電源供應, 耕心團隊也因此為村民裝備了太陽能燈, 讓孩子們在晚間有更佳的學習環境。當天, 志願者也分發了一些日常用品予村民。

Baking to Raise Funds
培育孩子烘培

11 students from Sunway University visited the Padmasambhava Children Loving Association and taught the children how to bake cookies for them to sell and generate income for their centre. This skill was identified as a potential viable income for the centre by a group of culinary students. This idea was built after they learnt that the home is desperately in need of RM1.5 million to relocate their centre.

Charity Sports Day
慈善運動會

25 volunteers participated in a Charity Sports Carnival at Sunway University with 37 children from 3 different homes, namely Rumah KIDS, Rumah Ozanam, and Persatuan Kebajikan dan Sosial Kim Loo Ting KL. Funded by GHCA, the event was organised by students from AIESEC Sunway University & Sunway Student Volunteers (SSV). The children played games such as dodgeball, capture the flag, and an obstacle course. They actively participated in every game, giving their best and demonstrating great teamwork. The sports carnival ended with a big smile painted across the faces of every volunteer and child.

來自雙威大學的11名學生拜訪了Padmasambhava兒童愛護協會，當他們得知該中心迫切需要150萬令吉搬遷後，當下靈機一動，一組烹飪系學生提議教孩子烘烤餅乾，以供他們的中心賺取微博的收入。

這是一項由AIESEC雙威大學和雙威校生志願者（SSV）籌辦，藉著資助的慈善運動嘉年華。共有37名來自Rumah KIDS, Rumah Ozanam和Persatuan Kebajikan dan Sosial Kim Loo Ting KL的兒童及25名志願者齊來參與此活動。孩子們在活躍的參加各項環節如躲避球，奪旗和障礙賽等遊樂，展現了出色的團隊合作精神。這場運動嘉年華在歡樂的笑聲中圓滿的落幕。
The You & Me Educational Program is an opportunity for young leaders from all universities around Malaysia to serve the underprivileged community and most importantly create a lasting impact on the lives of the underprivileged through events and activities which encourages interaction between volunteers and beneficiaries. It’s definitely a great platform for university students who wish to contribute back to the society through love and care. I believe every event that is organised is done with the intention to spread love and help others become better.

“願愛你，願愛我” 教育計劃為馬來西亞各地所有大學的年輕領導者提供了絕佳的機會，為弱勢社區服務的同時，也讓志願者與受惠者之間有更深刻的互動，這對弱勢群體的生活產生了持久的影響。對於希望通過愛與關懷回饋社會的大學生而言，這絕對是一個絕佳的平臺。我相信，每一次舉辦的活動都是為了傳播愛心，創造美好未來的回響。

Lee Bi Jun
Student of Sunway University
The collaborations between SSV volunteers and GHCA has been very rewarding, to say the least. Thanks to this collaboration, volunteers of SSV are provided with many chances to expose themselves to volunteer work. It is good to give them exposure with regards to what is going on in this society, in the world, and what they can do to help. It is also a very rare experience for volunteers to contribute back to the community by utilising their free time effectively and efficiently. Volunteers also gain insights and learn new things that will not be taught in school such as communication skills and quick thinking. I personally feel that it is a very good experience and learning avenue that will definitely come in handy in the future, especially when finding a job or applying for positions in organisations or clubs. Volunteers who had participated in events with GHCA in the past will acknowledge how important volunteering work is and the impact it delivers. They will most likely encourage peers to join similar events as well. SSV is glad to promote GHCA to the public to spread the word of what GHCA is doing to help out the world and raise awareness to the public regarding their responsibilities as an earthling.

SSV志願者與耕心之間的合作可說是獲益不淺。透過這樣的合作，SSV的志願者有很多機會參與社會工作。這可讓志願者更深入了解這個社會及世界上正發生的事物，同時可讓他們善用空餘的時間回饋社會，這將會是一項難得的體驗。除此之外，志願者也將獲得課堂以外的新見識及新事物，例如溝通技巧和快速思考。我個人認為，這是一個很好的經驗和學習途徑，將來肯定會派上用場，特別是在求職時。過去曾參與耕心活動的志願者都將意識到志願工作的重要性和它們帶來的影響力，故此SSV很樂意向公眾宣傳耕心的使命，并喚醒公眾對其作為地球人該力行的責任及社會意識。

Volunteers’ Feedback 義工反饋

“
When one generation plants a tree, the next generation enjoys its shade. After joining the Mangrove Rehabilitation Project with the spirit of wanting to bring life for the next generation, I realised deeply how precious life is. A plant’s determination to live taught us to be resilient when facing challenges.

The team’s spirit also made me feel the warmth of friendship. Seeing everyone working hard to accomplish tasks and having lunch together slowly became valuable lessons in my life. I hope there’ll be more opportunities for us to accomplish tasks together in the future.

前人植樹，後人遮蔭！秉持着為下一代着想的精神，
我參加了紅樹種植計劃。活動當中，我深深的體會到
生命的可貴。植物的生命力教會了我們如何堅強不屈
的面對挑戰。

團隊的合作，讓我深深感受到人間友情。看見大家一
起努力把任務完成、一起聚餐，這一點一滴點綴了我
人生的一堂課。希望以後，有更多的機會和大家去完
成下一個任務。

The collaboration between SSV and GHCA had given a volunteering opportunity to our members to volunteer in the event proposed and initiated by GHCA. This collaboration gives our club and students ideas on what activities that we can do to save our environment.

Via Mini Earth Warrior, we had made an impact at the local community level, where the area that we are working on becomes cleaner from month to month. In order to make a bigger impact on the community, GHCA also proposed some other neighbouring areas that need assistance. On top of that, GHCA would also help us recruit public volunteers or local communities to join our Mini Earth Warrior and any other event held in collaboration with GHCA.

SSV和耕心之間的合作不但讓我們的會員們成為義工的機會，同時也提供更多關於保護環境的想法與概念予我們的學生俱樂部。通過小型地球戰士活動，我們的區域變得更整潔。耕心也把此概念推展至鄰近的區域及幫忙招募更多的義工為社區帶來更大的回響，讓更多的志願者加入小型地球戰士活動以及與耕心合作舉辦的任何其他活動。

Volunteer’s Feedback

I gained new experiences since volunteering with Geng Xin Tang in coffin donation and funeral activities. Coffin donation may be a less understood form of charity, but it has gradually attracted more attention from the public lately. Coffin donation is a great merit that aims to preserve the dignity of those deceased and allows them to complete their final journey to a blissful world.

自從加入了耕心堂慈善機構後，總了很多的心得。我以義工的身份參加了幾次棺櫨掀葬的活動，讓我了解到棺櫨文化或許可以被理解為鮮為人知的一種善舉，而在當今社會漸漸地受到大衆人士的關注。棺櫨掀葬是一項功德，這一份善心主要的目的是讓那些往生者保留最後的尊嚴，走完最後一段通向極樂世界旅程。

Feedback from Interns

I had such a great experience and wish I could come longer. I was grateful for the support from GHCA during my time in Malaysia. I learned so much about the culture there and I saw how important it is to help other people who are not in such good conditions. I get in touch with underprivileged families to help them improve their situation. I planned a trip to a farm with different animals and vegetables for children who have less fun out of school and I assisted GHCA to collect donations during a temple fundraising dinner. In addition to the work, I met so many nice people I have taken into my heart. I am so thankful for this amazing and unforgettable time!

非常感謝我在馬來西亞期間給予我的悉心善意。這次的實習對我人生有著重大的影響，讓我更深入地了解當地文化，體會到同情與友愛的重要性。我通過與貧困家庭接觸，幫助他們改善狀況。我也認識了一些缺乏資源的貧困兒童，參加了農場活動和寺廟義工活動。工作之外，我認識了很多好心人。我非常感謝這段令人難忘的時光！

Malaysia and Great Heart has taught me a lot of things that I've never done before. Even though it was for a short period of time, but I have acquired new experiences in my life and learned new things that the school and university didn't teach us. It was such a great moment as well as collection of happy memories. I feel like I'm so lucky that I got the chance to meet and learn from these people from the Great Heart family.

I had a memorable 6 weeks volunteering in GHCC. I really enjoyed helping with assessments of the poor families, visiting orphanages, and old folks' home. I enjoyed finding out about a granny who knows a lot about Japanese history, listening to the beneficiary's families, and talking with staff to get to know about GHCA. The GHCA community gave me a lot of chance to get involved. It was a pleasure to be here with many positive minded people. At the end of my stay here, I organised an event and realised how hard it is to take on a leadership role. This whole opportunity gave me many chances to explore situations in Malaysia and realise my weakness that needs to be improved. Lastly, I dedicate my appreciation to all the people in GHCA for hosting me with compassion. Thank you very much.

Team Building
團隊建設

Building a strong functioning team is important, especially for a charity organisation so that the team could serve the people in need under their various charity programs. This is where Great Heart’s 2019 Team Building session plays a major role in helping to cultivate team spirit amongst the organisation’s committee members, volunteers, and staff through a two-day session filled with various activities aimed at imparting important concepts to the participants for a team to thrive! Held at Radiant Retreats, Janda Baik, 37 members participated in the sixth edition of our team building getaways. The session got the participants to work together and look after one another especially during one’s time in need, a trait that is important for any charity organisation. The memorable two-day session provided participants with an insight on how a successful team works, and renewed the team bonding among them so that they could communicate and cooperate with each other much better than before.

對於慈善組織而言，建立一支強大的職能團隊非常重要，以使團隊可在各種慈善計劃下為有需要的人伸出援手。耕心2019年的第六屆團隊建設活動在Radiant Retreats, Janda Baik 舉行，共有37名成員參與這兩天一夜的活動。此活動的宗旨是在通過活動和體驗性遊戲將耕心的委員會，志願者和員工召集在一起，這將帶出團隊價值並在彼此之間建立更牢固的聯繫及培養團隊合作精神，以使團隊得以蓬勃發展。
