

2023 Annual Impact Report

Dear Caleb Foundation Friends and Family,

We are excited to share the impact you enabled us to make in 2023! We want you to know it wouldn't have been possible without your support. Thank you so much for being a part of the Caleb Foundation Family!

Here's what we've been working towards!

Caleb Foundation's mission is to create programs that tackle the multi-faceted nature of poverty so that underprivileged families may become self-sustaining and break the generational pattern of poverty.

Our vision is a future where underprivileged families will have access to education, medication, and food so that they may unlock their potential. We want to eliminate resource insecurities so that families can get back on their feet and find their path to success.
