

Trimester News

As part of International Safer Internet Month, we held the

4th INTERNATIONAL MEETING OF

a forum that brought together experts, international organizations, authorities, and digital platforms to address strategies for preventing and combating child sexual abuse material and to promote a safe digital environment for minors.

IMPACT

Results that we made possible in this trimester together.

¡Thank You for making it possible!

104
Beneficiaries

On therapy and psychological assessments
at the Specialized Care Clinic
