Alzahraa Medical Clinic, owned by the Alawite Islamic Charity Association

The clinic was established on the 23rd of November 2008 after the sad incidents that hit Jabal Mohsen due to the struggle between the political parties, 8 & 14 of March in Lebanon.

The clinic was established through direct financial support from late member of parliament Mr. Ali Eid head of Alawite Islamic Charity Association.

The clinic receives more than 3,000 patients per month from the suburbs of Tripoli a northern city in Lebanon considered to be one of the poorest cities in the middle east.

The clinic provides the following services:

General and specialized medication for 3,000 L.L. per consultation

Free Vaccination

Free Medicine

Our specialists are:

Dentist, Orthopedist, Pediatric, Ophthalmologist, Gynecologist, Pulmonologist, Endocrinologist, Cardiologist, Physiotherapist, Neurologist, Urologist, Surgeon, Dietician, ORL

Our sections include:

Laboratory - Supervised by Mina Labs (Dr. Salam Ghomrawi)

Radiography - Supervised by Dr. Talal Helwi

The clinic has contracts with MPOH, YMCA, PUI

The clinic opens from 24/7, Monday to Saturday
