

Alumni Informational Meeting – October 24th 2020

Attendance

The meeting started on time. At 9h AM, 29 alumni were on site and got sit to attend it from the beginning. By 9h30, all the other participants were also part of the audience. Overall, among 41 contacted alumni, 34 showed up and 3 others came because they heard about the meeting.

Three women were among the alumni.

Discussions

Over 25 students reacted on the meaning of an Alumni Association, the benefits for a member, the contribution that a member can bring to the group, the social responsibilities an Alumni Association can take.

Although only three participants heard about an Alumni Association while among them two are still part of a such platform, the answers given by the audience about an alumni association were all meaningful.
