Dear Madam,

BUKPE COMMUNITY SUPPORT IN THE ENTREPRENEURSHIP TRAINING AND CASSAVA PROCESSING MACHINE PROJECT

Thank you for considering Bukpe community, Kwali for the Entrepreneurship training and Cassava processing machine project, this is a great development for our community and we really appreciate. Our major occupation here is cassava farming, majorly all families are into it, this machine will reduce cassava wastage, save our time in the garri processing stage and yield more income for our farmers and community as a whole.

We promise to support this project by donating a piece of land for the installation and to support you in making the project a reality.

Yours Sincerely,

Chief Bitrus Dakwe
Bukpe community chief
