

To the generous donors of our GlobalGiving Art Exploration Campaign,

The Virgin Islands Children's Museum is celebrating Youth Art Month! Thanks to funding from this campaign and other generous donors the VICM and community partners are collaborating on museum and outreach art events the month of March, 2024. Art instructors are visiting schools that do not have resident art teachers and guiding art explorations. A free Day of Art event will be held at a local art gallery where adult artists will generously volunteer their time and skills to instruct and guide young participants in a range of artistic mediums. Youth Art Month at the VICM is expanding and adapting to unite a diverse array of public and private community partners and artists of all ages, fostering a collaborative platform to facilitate artistic expression. A highlight of this celebration of creativity is the youth art exhibition housed at the museum which showcases work.

The VICM remains dedicated to presenting and supporting art initiatives, made possible by the generous donations received for our ongoing Art Exploration Global Giving Campaign #49363.

Financial support empowers us to introduce museum visitors to the world of arts through our interactive Toddler Tuesday sessions, creative craft stations within the museum, and engaging community outreach events. We have showcased pop-up learn to crochet classes, drawing classes, and a new precision instrument will be installed in our music exploration exhibit soon!

Thank you for helping the Virgin Islands Children's Museum offer a diverse array of art exploration content and opportunities for visitors and the greater Virgin Islands community.

Sincerely,

The VICM Team
