

To the generous donors of our GlobalGiving Art Exploration Campaign,

The Virgin Islands Children's Museum is beautifying its classroom/makerspace/party room (event room); The floors are being splatter painted and the walls and ceiling will be decorated soon. Your donations in this funding cycle have supported our efforts to add beauty, interest, and educational content to our event room. We look forward to hosting arts and crafts workshops, arts and culture lessons, and creative celebrations in this space in the near future.

The VICM also continues to showcase and facilitate art thanks to charitable contributions toward our

ongoing Art Exploration Global Giving Campaign #49363.

During our weekly Toddler Tuesday programming, early learner visitors enjoy music exploration, color mixing, and creating art with an array of materials. Lessons such as the life cycle of the butterfly are explored through hands-on art experiences and every activity helps develop fine motor skills, color recognition and communication building.

Thank you for helping the Virgin Islands Children's Museum offer a diverse array of art exploration content and opportunities for visitors and the greater Virgin Islands community.

Sincerely,

The VICM Team
