At SOLFAMI Solidarity with Families Association, every day is an opportunity to transform lives and build a brighter future for the children, adolescents, and families in our community. This quarterly report reflects the impact of your generous contribution during the months of November 2024 to February 2025, a period filled with learning, joy, and growth.

**PROGRESS REPORT:  
NOVEMBER 2024 - FEBRUARY 2025**

## November 2024: Sowing Seeds of Generosity and Knowledge

**Word of Life:** "We can always give something" : We began the month with a deep reflection on generosity. The children explored this value through interactive reading and collage creation, learning that every small act of kindness can make a big difference.

**Up2Me:** The Beginning of Life!: Through interactive activities, we explored the beginning of life, birth, and the stages of human development. This space allowed children to understand and appreciate the miracle of life.

### **First Aid Workshop:**

Thanks to the collaboration of nursing students from the Universidad del Rosario, our children received valuable first aid training. Through fun activities, they learned how to react to emergency situations, acquiring life-saving skills.

**The Christmas Nativity Scene:** The Story of the Birth of Baby Jesus : We immerse ourselves in the Christmas spirit, sharing the beautiful story of Jesus' birth. Children create their own nativity scenes, bringing home a symbol of love and hope.

**Generosity Boxes :** We promote the culture of giving and sharing. Each child decorated a box filled with good wishes and qualities for a classmate, strengthening the bonds of friendship and solidarity.

## **December 2024: The Magic of Christmas in 195 Smiles**

The magic of Christmas filled the Unidad Social Center, thanks to the generosity of our donors. Each donation turned into smiles, moments of joy, and lasting memories for 195 children, adolescents, families, and grandparents.

- We celebrated six Christmas parties dedicated to children, filled with carols, games, and surprises.
- Families from the Up2Me project strengthened their ties at a special celebration.
- We pay tribute to our grandparents with music, gifts, and kind words.

These celebrations highlighted the impact of their generous support, making CSU a place of hope and love.

## **January 2025: Preparing for a New Year of Hope**

The SOLFAMI team started the year with great enthusiasm, devoting every moment to planning and preparing the activities that would mark 2025. With renewed energy, we organized every detail to ensure that the Unidad Social Center will continue to be a space of growth and opportunity for our community.

## **February 2025: A New Beginning, New Hopes**

February marked the beginning of a new season at the Unidad Social Center. We happily welcomed the children who returned and welcomed new faces, who joined our family thanks to recommendations from their neighbors.

- We optimize tutoring activities, providing comprehensive support to our children.
- We continue to strengthen values education through the School of the Art of Loving.
- We delve into artistic activities such as: visual arts, singing, theater, clay, etc.

## **Gratitude:**

Your continued support is the driving force behind our work.

Thanks to your generosity, we are building a future full of hope and opportunity for the children, adolescents, and families in our community.
