World Affairs Council of Orange County

OUR MISSION

The World Affairs Council of Orange County is a nonprofit organization dedicated to facilitating a dialogue between our members and the international community.

WHAT WE DO

WACOC hosts monthly events of all types. In the past we have had lectures from ambassadors, dinners with diplomats, and everything in between. These events are a great way to learn more about global hot topics and become a better world citizen.

HOW WE DO IT

The World Affairs Council of Orange County is a non-partisan, non-government, non-profit organization that relies on the involvement and generous donations of our members.

GET INVOLVED

As a World Affairs Council member, you join a diverse group of individuals who are passionate about expanding international awareness. EDUCATIONAL OUTREACH

Scholarship outreach is a cornerstone of our Council's mission, as it allows us to reach out to local Orange County students and help foster their passions for world affairs.

Our goal is to provide our future global leaders with a better understanding of the world in which they live; the challenges and opportunities they face, and how they can contribute and benefit from the growing internationalization of their community and nation. We accomplish this by partnering with local schools such as Samueli Academy.

We also host the Orange County Academic World Quest, a program that gives students the opportunity to compete and test their knowledge of international affairs.
