Retreat Overview

The team gathered in Paarl to reflect, strategise and align on a shared vision for SEED. These reflective sessions were facilitated by Warren Banks, funded by DG Murray Trust.

The Board Visits SEED

This month, we were delighted to welcome board members Maloba G. Tshehla, Justin Friedman, and Dana Lieberman to our site on November 13th. Their visit sparked meaningful conversations with our staff, offering valuable insights and deepening connections.

ICM Team Building

On Friday, November 15, the ICM corporate team joined us for a day of team-building activities at our site. They painting chairs, prepared garden beds, and set up planter boxes. The team also enjoyed a delightful breakfast and lunch at Marley's Café, making it a productive and enjoyable experience for all!

Spring Market

We hosted our Spring Market on Nov.9, featuring 28 vendors offering a wide range of items, including plants, jewellery, crafts, yummy food and more. We were also thrilled to have YMCA Athlone and Baphumelele join us with their own tables, adding to the vibrant community atmosphere!

Resilience Course

From Nov.11-Nov.29, we hosted 26 young adults from Heidelberg onsite. They explored topics such as personal, household, and financial resilience. Participants also took part in hands-on activities, including breadmaking, that helped bring these concepts to life.

Upcoming events:

- Design OGC course Dec.9-13
