OCTOBER EDITION

NEWSLETTER

Pictured above (left to right): our new staff members, Caron (fundraiser), Gillian (Admin), Anathi, and Dani (garden team)

Kind Heart Bench Unveiling

A huge thank you to Uthando Tours and the Kind Heart Bench Project for bringing this bench to SEED. The bench will serve as a place for reflection, healing, and focus.

Teacher Appreciation

In honor of this month, we hosted both Rocklands Primary school and Floreat Primary school at our site. They participated in an engaging sourdough starter class led by one of our lovely alumni. We also offered them some complimentary snacks, tea, and coffee from Marley's Cafe. They loved it!

Intro to Facilitation Course

This month we hosted 23 participants from DAG. They were onsite from Oct.15-18. Mila and Lauren covered a range of topics including communication techniques, presentation skills, session planning, and more. It was an engaging, successful course.

Ecolution Festival

Mila represented SEED for the first time at Ecolution which took place at the Wellbeing sanctuary in George from Sept.26-29. She had a wonderful time meeting other NPOS, building connections, and engaging in eco-friendly activities. We look forward to visiting again next year!

Upcoming events:

- Resilience course Nov.11-29
 - Design OGC course Dec.9-13
- check our socials and website for more info!
