

# ALIVE & KICKING

## CHARITY SWEEPSTAKE KIT

Thank you for downloading Alive & Kicking's sweepstake kit for the 2011 Rugby World Cup. Enclosed in this pack is all you need to organise a fun office sweepstake, raising money for Alive & Kicking in the process. This is a great chance to get your whole office engaged in the tournament, as even those with little interest in rugby or sport can take part.

### Instructions

1. Set an entry fee for each person to take part. We recommend £5-10.
2. Decide what percentage of the money raised will be donated to A&K. We suggest 70%, but its up to you. The rest can be the prize for the tournament winner. Don't forget, we will also send you an African rugby ball, hand-stitched in Kenya, to give out as a prize too.
3. Convince your friends and colleagues to take part. They can enter more than once, but must pay the entry fee for each team.
4. Cut out the 20 team flags from page 2 of this pack. Place these into a hat or bowl and ask entrants to draw teams at random. The teams they pick out are their teams for the sweepstake, and you can keep a note of them on the poster. You could make this a fun lunchtime event for the whole office.
5. Put up the 3-page wall chart (pages 3-5 of this pack) somewhere everyone can see.
6. Enjoy the tournament! The person who picked the winning team wins the sweepstake. At the end, give the cash prize to the winner. Send the rest of the money raised for Alive & Kicking to the address below, or make a bank transfer if easier. Upon receipt of the donation, we will send you the hand-stitched African Rugby Ball which you can present to the winner.

### QUARTER FINALS 1 AND 3

## ABOUT ALIVE & KICKING

Alive & Kicking is an African social enterprise that manufactures sports balls to provide balls for children, create jobs for adults and promote health education through sport. Based on the principle that trade helps communities better than aid, Alive & Kicking's workshops in Kenya and Zambia are run as businesses and sustain themselves through sales revenue.

For every £12.50 raised through the Rugby World Cup Charity Sweepstake, one rugby ball will be donated to a school in Kenya. For many of the children who play with it, the ball will be the first real ball they've ever played with, and its production will provide half a day's employment for an Alive & Kicking stitcher in Nairobi, allowing them to support themselves and their family.
