

GLOBAL LEADERS 2019/2020

This year was the best example of our mission,

"Students Empowering Students."

- J. Fontana, E.D.

Student Executive Board

This year's invested Executive Board led our largest group of students ever through Global Leaders' student - created curriculum throughout the year.

Project Leaders

A new group of leaders, called the Project Leaders, created new community relationships with local organizations to increase GL's outreach and the diversity of work students can perform in the program.

International Travel

Though we were unable to travel this year, we had 42 students confirmed to travel with us in TWO separate trips to Guatemala and 13 to Puerto Rico for our very first time to help build an Earthship.

Given the impressive student leadership, the tremendous amount of service, the new service partners, and the increased student numbers, it's easy to count 2019/2020 as one of the best in GL history (take *that* COVID!)

WHERE DID WE SPEND IT?

2019/2020: A CHALLENGING YEAR, BUT WE MADE IT!

WE WERE FORCED TO POSTPONE OUR TRIPS, HOST OUR AUCTION ONLINE, AND MAKE MANY DIFFICULT DECISIONS. HOWEVER, THANKS TO OUR SUPPORTERS AND AMAZING COMMUNITY, WE WILL MAKE IT TO SEE A STRONGER PROGRAM IN 2021. WE'RE USING THE YEAR TO TIGHTEN TIES IN OUR COMMUNITY, STREAMLINE CURRICULUM, AND INCREASE THE EFFICIENCY OF OFFICE ADMIN. DUTIES SO THE GL PROGRAM CAN BE BETTER THAN EVER.

THANKS FOR YOUR SUPPORT!
