DONATION REPORT FROM 16TH SEPTEMBER 2023 TO JANUARY 16TH 2024

ACKNOWLEDGEMENT

Township Foundation Education Centre management acknowledges with great honor the receipt of donations worth USD 27,330 from September 16th 2023 through January 16th 2024 from the Wilson family via

Fidelity Charitable - Wilson Family Giving Account

and Daniela through GlobalGiving fundraiser program. Your donations have indeed changed lives of our children and the face of our Education Centre.

APPRECIATION AND ACHIEVEMENTS

We Township Foundation Education Centre do register our gratitude to the Wilson family and Daniela of Nike company for the support they continually give to our children and to the community at large. We truly recognize and appreciate the GlobalGiving for giving us the fundraising platform. The support we got is greatly changing the lives of our young ones; they are able to enjoy learning in a clean conducive environment.

The donations raised during this period has been utilized in painting the school, electrical installation and fittings, putting window panes and general renovations and completion of the existing structures within the school as shown below:

END OF THE YEAR 2023 MENTORSHIP

We had a very successful online mentorship program for our secondary sponsored students organized by our sponsors/ students' mentors Daniela, Dan and Shayan.

We had a group mentorship session and one-on-one where every student had a session with his/her mentor. The students were so excited, encouraged and promised to work harder academically in the year 2024.

We truly appreciate our donors for this wonderful gesture.

Below are the sessions in pictures.
