**Darfur Women Network** is an organization that assists refugees and displaced women in Chad, Sudan and in the United States.

**Darfur Women Network (DWN)** is excited to share our soap making incubator program with the public. Throughout this program women will be making and creating three different types of soaps; laundry detergent, bar soap, and liquid soap.

**Darfur Women Network** hopes to empower women from displaced and vulnerable families by providing the resources that they need to rebuild their society in a peaceful environment.

## **Program**

### ***Darfur Women Network Soap Making Business***

#### **Goals of This Project:**

- Women will become empowered and business savvy while learning tool building skills.
- Participants will be able to attend a training where they can build resiliency and gain job opportunities in the workforce.
- This soap making training will help displaced women affected by war to rebuild their communities.

#### **Displaced Camp Participants**

The participants are from the Sakali, Mousi, Al-Wali, and Sharg-Al Fania displaced camps.

Women were able to gain resources, skills, and network with others throughout this program to become successful leaders in their community.

#### **Benefits of This Program:**

- Help reduce the number of child labourers and school dropouts.
- Helps women and families to earn steady income and capacity building.

**There will be another Soap making program helping displaced women in October 2021!**
