

# Golden Aya Corp Global Giving Report

- As of June 25, Golden Aya Corp has only received \$8,442 out of its \$50,000 goal to begin construction of the Golden Aya STEM school chain.
- Golden Aya Corp identified land of interest in Arusha, Tanzania.
- Golden Aya Corp has several campaigns coming up in the near future to help raise the remaining amount of funds so we can start construction on our school complex project.
- Golden Aya Corp has Architects on standby to help update the design of the primary school that we will build first.
- Golden Aya Corp has also been on standby as an engineer to assist in the building of the first school.
- Golden Aya Corp is avidly searching for partners both local and foreign to assist in the building of the schools.
- Golden Aya Corp is testing and building its STEM curriculum that will be adopted by the STEM school at its E+STEAM Afterschool Program.
- As of December 16, 2022, Golden Aya's E+STEAM Afterschool Program will be completing its 2nd year of operation and is developing programs for a wider age range of students.
