Programs

DISASTER SURVIVORS

We offer our services to people who have survived disasters and have lost their homes and belongings. From fires, hurricanes, tornadoes, floods, earthquakes, and more, we offer free photoshoots to those recovering so they can have new framed photos to put on their walls as they rebuild.

CONFLICT SURVIVORS

We offer our services to people who come from war-torn or conflict areas who have been forced to relocate and are now refugees, immigrants, migrants, asylum seekers, or displaced people. As they had to leave so much behind to start over, we want to create new family photos and framed keepsakes that they can hang on their walls.

Our Mission

Retake offers free photos and photoshoots to people who have lost their homes and belongings due to disasters such as hurricanes, fires, or earthquakes, or to people who come from war-torn or conflict areas and are now refugees, immigrants, migrants, asylum seekers, or displaced people. We create new keepsakes as you rebuild your lives.

Our goal is to give you new memories to cherish and pass down to future generations.
