About the Noble Gift

We are one of the largest and most recognizable social projects and we...

- # systemically fight poverty in Poland;
- # connect the poor and the rich;
- # provide wise help to those who really need it;
- # work on the mentality of people in need so that they can cope on their own over time;
- # engage hundreds of thousands of Poles: volunteers, donors and partners;
- # bring out in people what is most beautiful in them;
- # change stories.

Whom do we help?

Aid mechanism in the Noble Gift has been developing for 20 years. Currently, we bring help to eight groups of people and families in need:

- **Start in independence.** We help people to get on their feet, find a job or a flat;
- **A sick or disabled child.** We help where the problem is not only money;
- **Independent parent.** We help single parents to gain independence;
- **Old age and loneliness.** We help those who hardly anyone remembers;
- **Illness, disability.** We help heroic families;
- **Family with many children.** We help where there is not enough money and time;
- **Random event.** We help those who find themselves in a difficult situation
- **People particularly affected by the pandemic.** We help those who have been affected by the consequences of the pandemic.
