Dear Sir/ Madam,

RE: NGOs CERTIFICATE OF REGISTRATION

Further to the Registration Certificate No. OP.218/051/22-047/12594 issued to you to operate as a Non-Governmental Organization in Kenya, I wish to bring to your attention certain issues that are pertinent to this status.

While all parts of the NGOs Act and its subsidiary legislation are important within the legal framework, there are some specific issues that you need to address yourself to as factors needing your constant attention as an individual Non-Governmental Organization.

These are:-

Scope: - ☒ National ☐ International

Location: - The Certificate in question allows you to operate in the following Counties as indicated in your application form:-

Bungoma Handi Uasin Gishu
Turkana Kakamega

You will be required to notify this office of any changes in areas of operation, i.e. withdrawal from or move to any County in the Republic.

Conduct and Administration of your Organization is referred to in *Part 4* of the NGOs Regulations, especially those sections of this that require you to inform the NGOs Co-ordination Board of any proposed changes e.g. Change of Name, Constitution, Changes of Officers or Titles of Officers and submission of Annual Reports etc.
