Utah's Bear River

WRC has made its second major purchase in the Bear River delta, which will expand the Bear River Migratory Bird Refuge by 600 acres.

Colorado's Gunnison River

WRC has protected four more miles of the Gunnison River. This land was threatened by gravel mining but will now be protected in the Dominguez-Escalante National Conservation Area.

Oregon's North Santiam River

WRC has signed an agreement to purchase 338 acres on the North Santiam River, a Willamette River tributary. Purchase and restoration of this land will be a big step forward for native fish and wildlife species in the Willamette Basin.
