Madre de Amor Hospice Foundation

Who We Are

We, the Madre de Amor Hospice Foundation, are a non-stock, non-profit organization that provides community-based hospice/palliative care service.

Our hospice center is based in Los Baños, but our services have reached 23 out of 30 towns in Laguna. Since our establishment in 1994, we have continued to recruit and capacitate volunteers who will assist in providing hospice care, and empower families to actively care for their seriously ill relatives.

Our long-term mission is to provide an avenue for professional development and growth in the field of Hospice and Palliative Care. The Foundation is also a member of the Asia Pacific Hospice Palliative Care Network and the International Association for Hospice & Palliative Care.
