

Activities performed effective during the Mid-year by Sanuriro Batwa Community.

**Prepared by:** Mr. Alex Byomugabe, Project leader

**Submitted to:** Global giving

**About the project:** The Sanuriro Batwa Community aims at empowering, training, educating the voiceless and forgotten forest dwellers in Agriculture, health, education, community development to name but a few for better livelihoods. The project mainly focuses in supporting the Batwa who were displaced from Bwindi Impenetrable National park so as to conserve the Bwindi forest ecosystem. Further still, the other focus is to alleviate poverty

**General Objectives of the project**

1. To transform the lives of Batwa people through training and building different skills for self-reliance.
2. To train, educate , and sensitize the Batwa about the conservation of Bwindi forest ecosystem.
3. To train the Batwa/pygmies, women, children in agriculture for food security for a sustainable living.
4. To empower and promote education among the Batwa so as to eradicate illiteracy.

OBJECTIVES	ACTIVITIES	ACTIVITY DONE	OUTCOME	COMMENT
------------	------------	---------------	---------	---------

<b>To transform the lives of the Batwa through training different skills for self-reliance</b>	(a) To train and educate Batwa men and women in different skills	-Trained Batwa who appreciated and developed different skills	-Transformed their lives and expect them to make sales and earn a living for their families	-Batwa incomes are expected to be improved
