About the project:

This is the mid- year report presented by Sanuriro Batwa Community Development Association founder. With gratitude, I am so grateful to share about the work we are doing alongside Batwa/pygmies in South Western Uganda. The organisation was founded with a simple but ambitious goal ; to create a sustainable future for the batwa/pygmies. The recent years have not been easy since the charity is facing competing projects with limited funds. At Sanuriro Batwa Community, we believe if we work together, we can create change.

General Objectives of the project

1. To transform the lives of Batwa people through training and building different skills for self-reliance
2. To train, educate , and sensitize the Batwa about the conservation of Bwindi forest ecosystem
3. To empower and promote education among the batwa
4. To attend meetings with partners
