

Activities performed during the 1st Quarter -January to March, 2026 by Sanuroiro Batwa Community.

Prepared by: Mr. Alex Byomugabe, Project leader

Submitted to: GLOBAL GIVING

About the project: The Sanuroiro Batwa Community aims at empowering, training, educating the voiceless and forgotten forest dweller in Agriculture, health, education, community development to name but a few for better livelihoods. The project mainly focuses in supporting the Batwa who were displaced from Bwindi Impenetrable National park so as to conserve the Bwindi forest ecosystem. Further still, the other focus is to alleviate poverty.

General Objectives of the project

1. To transform the lives of Batwa people through training and building different skills for self-reliance
2. To train, educate , and sensitize the Batwa about the conservation of Bwindi forest ecosystem
3. To train the Batwa/ pygmies, women, children in agriculture
4. To empower and promote education among the Batwa so as to eradicate illiteracy
5. To train Batwa on Climate resilience

OBJECTIVES	ACTIVITIES	ACTIVITY DONE	OUTCOME	COMMENT
