

**How your GivingTuesday gift will help the Forest's conservation:**

**\$10** will cover the authorization of use for visual content of the flora and fauna

**\$50** will pay 10% of the annual cost for keeping our highly informative website and Forest Tour app up to date.

**\$100** will cover the average monthly costs of habitat restoration and conservation.

**\$250** will cover the monthly costs of designing and publishing our informative posts on Facebook, Instagram, and Twitter.

**\$500** will cover the planting of 5 new native trees.

**\$1,000** will cover repairs and maintenance of the Boardwalk, Observation Tower, Gazebo, and informational signs over 6 months.
