In this sense, I also want to take advantage of this ideal opportunity to express my gratitude to you, and then to thank you infinitely for all the financial efforts you have made for me from 2019 to 2024.

I must tell you, your love, your generosity and also your efforts mean a lot to me and thanks to all of you; This allowed me to overcome obstacles and pursue my classical studies with determination. Sincerely, I would like to renew my thanks to the CAHSAV supporters who contributed in one way or another, as well as for supporting me financially until I had the opportunity to successfully advance my studies after graduation from St. Vincent's.
