

IMPACT REPORT 2021

El Shaddai

Loving ~ Caring ~ Sharing

EL SHADDAI CHARITABLE TRUST

El Shaddai presently has seven residential Homes, three Day Care Centres, three Community Centres, Destitute Women and Men's shelters, eight schools, and Cottages for seniors. Times of uncertainty invite us to open our minds to new possibilities. Months of pandemics and crises around the world have provided us with new lenses through which we see a different life

Victory House boys

During this period El Shaddai has been extensively working to reach out to the poorest of the poor with the distribution of meals, dry ration kits, sanitisers, masks, pads, stationery, tarpaulin sheets, COVID aid kits to the poor, marginalized and affected.

Since 30th March, El Shaddai has been serving 700 meals per day to the children and underprivileged families and grocery kits distribution to 500 people to the marginalized every day across the cities of Mapusa, Panjim, Calangute, Vasco, Ponda and Margao. Homeless beneficiaries are identified across the major cities and slums of Goa. One of the worst hit places is Goa alone, affecting hundreds of vulnerable families, children and individuals.

Dry Ration distribution drive

El Shaddai has ensured daily sustenance for the children and people, making sure no one has to sleep on an empty stomach.

Homes Update

Tremara House

Shekinah House

Rainbow house

El Shaddai, Goa was badly affected by the Tauktae cyclone. Our homes, shelters and centres were badly affected creating havoc. With your support and help the homes, centres and shelters were restored.

15 days Boxing Camp

15 days Boxing camp was held for 80 children with Goa Amateur Boxing Association, headed by SAG coach Mr Nilesh Kanolkar. Children are setting aim to play at the state level too.

Yoga Camp

Yoga camp was conducted from 15th Feb headed by Yoga Instructor Mr Sandeep Morajkar. Yoga is helping our children to manage their anxiety, emotional regulation, enhance concentration & memory, their strength and flexibility, and how to be disciplined.

Leadership and personality development classes are held for the older children conducted by the Managing Trustee. It is certainly benefiting our older children in building a strong personality that focuses on solutions rather than the problem.

Leadership Meetings

Tree plantation

Children participated in the tree plantation ceremony organized in the Norma House with the aim to educate the children to **care for the environment by making a deliberate effort to be part of the change. Stressing to “Go Green” means to pursue knowledge and practices** that can lead to more environmentally friendly and ecologically responsible, which can help protect the environment.

COVID 19 effect

Most of our children have come back. On August, 15 of our children were affected with COVID 19, RT - PCR test was done by PHC, Siolim. The children were isolated for a term period of 14 days. Now all the children are recovered. As per the suggestions of the doctor's children were given required diets to build their immunity and all precautionary measures are followed.

Children being tested

Sanjit's leg operation

Sanjit, a 10-year-old child who was rescued from Panjim street with his younger brother Rahul, 4 years old, before he being rescued, met with an accident and his left ankle was totally in disorder and had undergone normal surgery which was not done properly and as a result, his leg was infected and couldn't walk properly. At El Shaddai, with your support, Sanjit has undergone surgery in Galaxy hospital, Mapusa which is a success. Now he is discharged and is under the care of the House of Kathleen.

Before and after the treatment

Shelters

Slum School

21 Slum schooling has been restarted with full fledge at Margao, Vasco, Panjim and Calangute and outreach workers cater to more than 430 children on daily basis. Awareness camps, medical camps and community health work were conducted in shelters and centres. Awareness was done on how to protect from Dengue fever, as the cases of dengue fever were rising in India. 120 families also received mosquito nets during the camp.

Demise of Ajay Singh

We regret to inform you about the sudden demise of Mr. Ajay Singh, Ex In charge of Ashraya Community Center who passed away in September 2021. The body was sent to his native place along with one of the staff of Stepping Stone and a decent burial was held. El Shaddai paid the amount to meet the transportation and other expenses. El Shaddai will be helping the family of the deceased.

School

The school reopened at El Shaddai Academy with proper safety protocols. Around 178 children attend classes every day since December 2020. Due to COVID19 schools were shut and children had to manage with their online classes which were not favourable learning for the children. Once the cases of COVID19 dropped school was reopened, this was a great relief for children to meet their teachers and friends also have interactive learning. Children are also participating in extracurricular activities like dance, Music (Guitar & Keyboard), singing and sports etc. Blooming Buds at Mundgod Karnataka, are having online classes, and around 357 children attend the same.
