

# Global giving report

October 2023 to April 2024

6 months report

Baan Unrak children graduated

- elementary 6 graduated students
- junior high school 6 graduated students
- High school 2 graduated students
- University 3 graduated students

# We received from global giving

Oct 23 23,417THB (642\$)  
Feb 24 9,835THB (269\$)

Thanks to the help we receive, we are able to send our children to school. Baan Unrak currently has 140 children enrolled in various levels of education, ranging from kindergarten to university, including special education for refugees

A significant indicator of the success of our education endeavor is the increasing number of children who return to teach and care for the younger ones. We are incredibly indebted to all the donors who have contributed to this program. **Thank you so much.**
