

DIGITAL SKILLS CAMPAIGN

SUPPORT SADHGURU SCHOOL TO FUND HOLISTIC DIGITAL LEARNING

WHY IS THIS NEEDED?

At Sadhguru School we unlock children's creativity by offering both vocational and academic education.

We believe that technology can be an artistic medium for children to express themselves.

For our students, the only chance to learn ICT skills is at school.

HOW CAN I SUPPORT?

By donating to our **Digital Skills Campaign on Global Giving** you will be delivering a solution to youth who must fit into today's world whilst keeping their roots in mind.

WHERE WILL MY DONATION GO?

- New laptops
- Solar panel for electricity
- Wiring installation
- Teacher training and wages
