

**Donate a Smile by Supporting Dayspring Children's Home for
Christmas**

Dear Friends of Blossom,

We want to make a special Christmas for the children of Dayspring Home. And we will make it, as every year, thanks to the solidarity of all of you.

Established by Blossom Trust in 2007, Dayspring Home is a children's home, currently caring for 20 vulnerable children, providing shelter, food, education and medical care for the children's physical and mental well-being. The children are often affected and/or infected by HIV/AIDs or TB. Other children come from poverty, with families unable to support them. Overall, providing for the children at Dayspring is Blossom Trust's utmost priority.

This year we will strive to recreate a welcoming atmosphere with lights, gifts, decorations and a Christmas tree for the children to spend Christmas in their cozy home. We will prepare a special Christmas meal and Christmas Cake and we will exchange gifts while chanting Carols. We will provide them with new clothes to use all year round and new cribs for the little ones. A joyful atmosphere will also be supported with cultural programmes and games to entertain the kids.

Blossom Trust is fundraising to provide support, nutritious food and Christmas decoration to our Dayspring children. Therefore, we are seeking your generous help, fantastic donors, to mitigate these costs.

To the happiness of less fortunate children who know they can count on us.
