TOGETHER FORWARD

Romania hosts around 83,765 refugees from Ukraine.

"Together Forward" provides continuous support for the Ukrainian refugee community in Romania, focusing on integration through tailored activities for children and youth, mothers, and seniors based on documented community needs.

Overall results (01.12.2025)

2.261
children and youth

18
coaches

100
mothers

4
large scale events

120
seniors

19
partners involved in activities

2
counties

over **1.790**
resources distributed

The **Together Forward** project has supported

2.499 beneficiaries

to date, advancing empowerment, integration, and resilience across all four pillars. By combining education, psychosocial support, sports, and capacity building, the project continues to create safe spaces for healing, learning, and community belonging.
