Introduction

We got the idea to raise money on the GlobalGiving platform in order to address the problem of orphans being outside of school in the Tabora region due to poverty and lack of care services. According to fhi360, it shows that 40 percent of orphans in Tabora region did not attend school at any time during 2010 school year.

Project long-term impacts

Children are protected, have access to education, quality services for essential needs, and have access to medical services, and psychological counseling. And we have a society that protects and cares for orphan vulnerable Children. As the World Bank pointed that the best child is the one whose is safe, well-developed and protected from risks.

Being in the GlobalGiving platform to raise funds for develop, support and solve the challenges faced our community

Challenges

- Limited time spent on raising funds from donors
- Lack of monthly contributions.
- Lack of friends and donors from USA and UK
- Lack of volunteers from the USA and UK to raise money for our project or organization.
- Lack of staff from the USA or UK to help spread the message to donors

Opportunities

- We have the opportunity to be on the GlobalGiving platform that helps us meet friends, project leaders, volunteers, donors, Companies and organizations and help us raise funds.
- We have the opportunity to use social media for fundraising
