

UWC Costa Rica Mission

To cultivate in young people the passion and ability to serve humanity and our planet—learning *from nature* and *from each other* for a lifetime.

Principles

Learning *from Nature*

From Costa Rica & Latin America.

Context-aware and context-based educational curriculums in a country committed to protect, regenerate and restore nature.

Learning *from Each Other*

From exploration. From individual to collective

Sustained collective actions through systems change.
To awaken curiosity through experiential learning.

Learning *for a Lifetime*

Lifelong learners and global collaborators.

Support and unite the community of alums through their growing development and to thrive with purpose.

Values

Empathy

Reciprocity

Accountability
