PROVIDING  
WATER FOR LIFE

## Rotary

AT ITS BEST!

### WHAT IS IT?

The standard water survival box is designed for a family of five who have lost their homes and all their possessions following natural or man-made disaster. 1st priority is the water purification kit – to protect against water-borne disease.

- Boxes are packed with a set of new contents.
- All boxes are identical. This speeds up the customs inspection process.
- Water Survival Boxes are consigned to locally based representatives of international aid agencies.
- We aim to get the boxes to survivors of disaster as soon as possible after the event to protect against water-borne disease.

### WHAT ELSE IS ESSENTIAL?

2nd priority is to provide survival items for:  
eating and drinking; health and hygiene;  
basic shelter; simple tools; household  
items – all to help survival for the early  
weeks and months after disaster.

### HOW MUCH DOES IT COST?

The standard water survival box is £150.  
Includes box, water purification equipment,  
listed contents and transportation costs.

### HOW DOES IT WORK?

#### AQUAFILTER

- converts contaminated water into safe drinking water.

- very fine micro-pores  
block all bacteria and viruses but  
allow clean water to pass through.

## WHERE IN THE WORLD?

Since 2006 aid has been sent to:

Anguilla	Mali
Argentina	Mozambique
Bangladesh	Myanmar (Burma)
British Virgin Islands	Nepal
Burkina Faso	Pakistan
Chad	Philippines
Chile	Poland
Colombia	Serbia
Comoros (Indian Ocean)	Somalia
Ecuador	Sri Lanka
Guatemala	St Martin
Haiti	Syria
India	Taiwan
Indonesia	Uganda
Japan	Ukraine
Kashmir	Yemen
Kenya	Zimbabwe
Malawi	

## HOW CAN YOU HELP?

By making a donation to Water Survival Box Ltd at:

Water Survival Box Ltd  
 Broadway House  
 Third Avenue  
 Westfield Industrial Estate  
 Midsomer Norton  
 Somerset BA3 4XD
