

An active summer of support and commitment

At Fundación León we remain present even in summer, with concrete actions that strengthen our programs and support for people in communities most in need.

"Active Aging, Early Childhood and Disability are the pillars that make This summer will be a time of presence, closeness and action for León."

From the first days of January, high-impact experiences took place, giving beginning of a new season of sustained support.

We launched the Summer Workshops for older people, promoting spaces for participation, well-being and meeting, both at our San Miguel headquarters in Tucumán as in Yerba Buena. In disability, we carried out the first delivery of wheelchairs this year, reaffirming our commitment to inclusion and access to rights.

And in Early Childhood, we held the first meeting of the year with the families of The Vázquez family, beginning a new cycle of comprehensive support.

"To accompany is to be there, even when the year has just begun."
