# The noble gift – how do we work?

## stage 1

### THE VOLUNTEERS

The Noble Gift recruits thousands of volunteers (SuperW) all over Poland. Later on the volunteers reach the families in need.

## stage 2

### THE FAMILIES

The volunteers meet the families. They find out about family's story and decide if the family should be included in the project.

## stage 3

### THE DONORS

At the turn of November and December the Donors have 3 weeks to choose a family for whom they will prepare the gift. The family's needs can be found on the Noble Gift's website.

## stage 4

### WEEKEND OF MIRACLES

On the 2nd Saturday of December the Donors bring gifts to specially prepared warehouses. Later on, the volunteers take the gifts to the families and provide the donors with a short description of family reactions.

## stage 5

### WORK WITH PEOPLE IN NEED

Volunteer's work with the families doesn't end on the Weekend of Miracles. The next step are Specialized Gift (Elders' Gift, Lawyers' Gift and Doctors' Gift). Simultaneously, the volunteers join workshops.
